

Dear WOLCS family,

During this time of new challenges, it's important to know that we are in this together. Our church, board, administration, our staff and all support personnel, we are in this together and will rise from this as a family and community. It's been an extreme blessing to hear how you have been working and collaborating to engage with students and families. The reality is that some families have greater challenges and needs than others. We also know that reality exists with our staff as well. Our church and school have been working to assist staff and families where and how we can. Our prayer, as with yours, is that we are able to return to our normal schedules and routines as soon as possible.

In Acts 2:42-47, Luke shares the message of coming together and helping each other through times of need. It's in today's time that this message is so appropriate. We will continue to come together, to help each other and accept it as it's needed. In today's virtual environment, it's important that we reach out to assist where we can, and ask for assistance where it's needed.

Romans 8:37-39 says we are more than conquerors. The Greek translation is Hypernikao (where the name Nike comes from). We are more than conquerors in Christ, to conquer the challenge of this time and extend ourselves to where He calls us. Thank you for extending yourself to help our families and to where Christ is calling each one of us right now.

Psalms 103:1-5 ensures the promise that God gives us, it says "Let all that I am praise the Lord, with a whole heart, I will praise His holy name. Let all that I am praise the Lord. May I never forget the good things He does for us, He forgives all my sins and heals me from all my diseases, He redeems me from death and crowns me with love and tender mercies. He fills my life with good things, My youth is renewed like the eagles".

We will walk through this season together and we will emerge stronger individually and corporately. Stand strong on His word, as Paul expressed in Ephesians 6:10-11. We will stand firm on His word and promise. It's in that faith that we will continue to serve one another and our church, our school, and our community.

Thank you for serving His kingdom and our school's students and families. We'll continue to connect with updates as we get back to business as usual. Be blessed, stay healthy and safe.
